

## Date Rape Prevention

An Eighth Grade Curriculum.

## Consent

How do you get it? Car example: What if someone wanted to borrow your car? It's your right to give/deny permission. What's the best way to get consent? Will give an example later.

## True or False

Can a man be raped? By Georgia law – NO. Laws vary by state. But can a woman hurt a man sexually? Can a man hurt a man sexually? So how does Georgia law define Rape? Male against female only. Written in 1833 – a very "narrow" definition. Define "carnal knowledge" = intercourse. Even if there is just contact of sex organs.

What about relationship of victim to attacker? "Against her will" means what? Examples of types of force that might be used in rape. Force is usually in 2 categories.
